

# CLOUD-BASED MONITORING

Raising the Bar for Excellence

## ALERTS & ALARMS

Does your monitoring system alert you to potential problems before product damage occurs? SenseAnywhere monitors 24/7 and provides advance notifications via text, email, and an easy-to-use dashboard.

## ACCURACY

Make sure your monitoring system provides the measurements and precision you require. SenseAnywhere provides accuracies of  $\pm 0.15^{\circ}\text{C}$  and  $\pm 2\%$  RH.

PHARMACY

## COMPACT & POWERFUL

A compact size and up to 600 meter range make it easy to deploy these wireless dataloggers throughout your supply chain. Installation and set-up is simple, and can be completed in just 5 minutes.

## SECURE DATA STORAGE

A monitoring system must include secure data storage and analysis. SenseAnywhere's intuitive interface and secure infrastructure gives easy access to your data in one online dashboard. Data storage available in 5, 10 & 15 year intervals.

## BATTERY LIFE

SenseAnywhere dataloggers provide 10 years of battery life for reliable real-time monitoring 24/7. Long battery life is a critical monitoring system feature, especially for product in transport.
