

MANUFACTURER REPRESENTATIVES

Instrumentation for the Measurement and Control of Industrial Processes.

www.finnandconway.com

INDUSTRIAL I/O SOLUTIONS, SIGNAL CONDITIONERS
Signal Conditioning - Transmitters/Alarm Relays - Smart I/O Modules
Ethernet, Profibus, Modbus Modules, Converters & Switches.

INDUSTRIAL ENCLOSURES
Robust Non-metallic Polycarbonate UL Listed Industrial Enclosures. Sizes
from 6 x 6 x 4 through 18 x 16 x 10 with all UL/cUL508A & 50E,
IP66, IP68 and Nema 4X Certified.

PORTABLE PLATFORM SCALES
Fork Lift Scales, Crane Scales, Truck Scales, Portable Axle Weighers,
Airport Scales, Portable Platform Scales, Environmental Bench Scales.

TRANSDUCERS
Position Transducers, LVDT Gaging Products,
Industrial Pressure Sensors, Industrial Vibration Sensors.

TECHNICAL FIELD SERVICE
System Start-up, Instrument Configuration,
Contract Calibration Service, System Troubleshooting.

MATERIAL HANDLING & ELECTRONIC COMPONENTS
Speed Monitoring/Switches, Alignment Sensors,
Hazard Monitoring, Temperature Sensors, Level Indicators, Safety Switches,
SpeedMaster: Speed Switch Sensors & System Testing Devices.

RECORDERS AND CONTROLLERS
Loop Controls (1/32 DIN through 1/4 DIN)
Recorders (Circular, Strip & Paperless)
SCADA Software and Touch Screen Control Systems.

INDUSTRIAL PC KEYBOARDS & INPUT DEVICES
Pc Keyboards & Input Devices for Heavy Duty IP68, NEMA 4, Hazardous Loca-
tion, Chemical, Wash Down Food Processing, Laboratory & Medical

**PROCESS WEIGHING, CONDITION MONITORING &
WEB TENSION CONTROL EQUIPMENT**
Weight & Rate Controllers, Indicators, PLC Weigh Scale Modules, "C2" Load
Cells, Junction Boxes, Bench Scales & Floor Scales. Sensors and Instrumen-
tation to Measure, Control/Transmit Weight, Machine Condition Monitoring
and Web Tension. A-B Encompass Partner.

SenseAnywhere Remote Monitoring
Reliable, cost effective, and simple solution for tracking critical
environmental conditions, including temperature, humidity, and CO2.

MEASUREMENT & CALIBRATION SOLUTIONS
HART® Communicators, Manometers, Digital Manometers
Gauges and Transmitters, Averaging Pilot Tubes, Laminar Flow

INDUSTRIAL COMPUTERS/PC MONITORS/TOUCH SCREEN HMI
Panel Mount Touch Screen Industrial Computers / Node PCs / Industrial
Flat Panel Touch Screen Monitors, PowerView HMI Touch Screens

Infrared Sensors
Infrared Thermometers / Infrared Cameras / Handheld Thermometers /
Thermal Imagers / PIX Connect Software

THERMOCOUPLES AND RTD ASSEMBLIES
Single and Dual Element Sensors, 3A Sanitary Assemblies,
Precision Grade 2 Wire Transmitters, Bi-Metal Thermometers, Thermowells.

PREMIUM SENSING SOLUTIONS
High Accuracy Pressure Transducers, Transmitters, Gauges, Power Monitoring,
Power Meters, Humidity, Particle Counting, Modular Pressure Calibration.

INTRINSICALLY SAFE PRODUCTS for HAZARDOUS LOCATIONS
Intrinsically Safe Barriers and Isolators, Motor Starters, Breaker
Panels, Terminal Boxes and Hazardous Area Control Panels.

LIQUID LEVEL SENSING
Tank Gauging System Utilizing Magnetostrictive Technology to
Provide Indication and Transmission of Liquid Levels.

Sense Anywhere

**SenseAnywhere
Remote Monitoring**

Finn & Conway is proud to have partnered with **Masy Bioservices** to offer the SenseAnywhere line of temperature, humidity and CO2 monitoring devices.

The cloud-based data loggers are incredibly easy to set up and accessing the data via your cloud account is effortless as is setting up alarms and user profiles!

Whether the application is in Pharma, ColdChain, Healthcare, Laboratory, storage, FoodManufacturing or Logistics, SenseAnywhere is an incredible solution!

Finally, a cost effective Remote Monitoring Solution

New I/O Capabilities of the MCT

The new expansion I/O modules for use with the MCT4 & MCTB systems provide virtually limitless control capabilities!

I/O Expander
16 Digital Inputs
14 Digital Outputs

Model SIO
Mix of 8 T/C,
Linear mA,
or VDC Inputs

Hardy Caseweigher

Hardy's all New Caseweigher machine is designed for **SIMPLICITY** using off-the shelf components and a PLC control platform to afford users enough **FLEXIBILITY** to meet both current and future control needs.

Open Source
Off-the-Shelf
Seamless Integration
CheckMaster Software

Stock, Make, Pack, & Ship Solutions
Hardy's solutions align with our customers supply chain making it EASY for them to understand where, why and how we fit as a solution partner.

Pyromation

Pyromation continues to excel in every aspect of true customer service!

Fast Part Number & Quotes
Online Quote Configurator

Accurate Engineering Documentation
*Product Specific
Drawing Generator*

Additional File/Document Support
*3D Model/Image
Step File Generator*

Ensure you receive your TC & RTD sensors accurately the 1st time!
