

MANUFACTURER REPRESENTATIVES

Instrumentation for the Measurement and Control of Industrial Processes.

www.finnandconway.com

INDUSTRIAL I/O SOLUTIONS, SIGNAL CONDITIONERS

Signal Conditioning - Transmitters/Alarm Relays - Smart I/O Modules
Ethernet, Profibus, Modbus Modules, Converters & Switches.

MASS FLOW METERS

Laminar mass flow meters, controllers and pressure controllers,
NIST traceable, lifetime warranty.

CONTROL COMPONENTS

Circuit breakers, enclosures, safety relays, wire ducts,
DIN rail terminal blocks, push buttons,

ANALYTICAL SENSORS & INSTRUMENTATION

pH, ORP, Conductivity, Resistivity, Dissolved Oxygen and Flow Sensors &
Instruments. Direct sensor replacements for GLI and others.

TRANSDUCERS

Position Transducers, LVDT Gauging Products,
Industrial Pressure Sensors, Industrial Vibration Sensors.

RECORDERS AND CONTROLLERS

Loop Controls (1/32 DIN through 1/4 DIN)
Recorders (Circular, Strip & Paperless)
SCADA Software and Touch Screen Control Systems.

PROCESS WEIGHING, CONDITION MONITORING & WEB TENSION CONTROL EQUIPMENT

Weight & Rate Controllers, Indicators, PLC Weigh Scale Modules, "C2" Load
Cells, Junction Boxes, Bench Scales & Floor Scales. Sensors and Instrumen-
tation to Measure, Control/Transmit Weight, Machine Condition Monitoring
and Web Tension. A-B Encompass Partner.

RESISTANCE HEATING ELEMENTS

Cartridge Heaters, Micro-Cartridge Heaters, Air process Heaters
Sun Rod Heater, Tubular and Finned Heater, Ceramic Heaters
Crankcase Heaters, Band Heaters, Glasrope® & Foil Heaters

INDUSTRIAL PC KEYBOARDS & INPUT DEVICES

Pc Keyboards & Input Devices for Heavy Duty IP68, NEMA 4, Hazardous Loca-
tion, Chemical, Wash Down Food Processing, Hygiene Sensitive Laboratory &
Medical Environments.

SenseAnywhere Remote Monitoring

Reliable, cost effective, and simple solution for tracking critical
environmental conditions, including temperature, humidity, and CO2.

MEASUREMENT & CALIBRATION SOLUTIONS

HART® Communicators, Manometers, Digital Manometers
Gauges and Transmitters, Averaging Pilot Tubes, Laminar Flow

INDUSTRIAL COMPUTERS / PC MONITORS / TOUCH SCREEN HMI

Panel Mount Touch Screen Industrial Computers, Node PCs / Industrial Flat
Panel Touch Screen Monitors, HMI Touch Screen Operator Interface Terminals,
'Fanless' Series Industrial PCs, Industrial Control and I/O Products.

INFRARED CAMERAS & PYROMETERS

Pyrometers, IR Cameras/Thermal Imagers, Handheld Thermometers
PIX Connect Software, IRmobile App.

THERMOCOUPLES AND RTD ASSEMBLIES

Single and Dual Element Sensors, 3A Sanitary Assemblies,
Precision Grade 2 Wire Transmitters, Bi-Metal Thermometers, Thermowells.

PREMIUM SENSING SOLUTIONS

High Accuracy Pressure Transducers, Transmitters, Gauges, Power Monitoring,
Power Meters, Humidity, Particle Counting, Modular Pressure Calibration.

Backer Hotwatt

**BACKER
HOTWATT**

Finn & Conway is proud to have partnered with **Backer Hotwatt** to offer their extensive line of heating elements to a great variety of our customer base!

Backer Hotwatt, established in 1952, a leader in manufacturing resistance heating elements for over 65 years.

Hotwatt has expanded their product line to include cartridge, air process, immersion, strip and finned strip, tubular and finned tubular, band, foil, flexible glasrope®, crankcase and ceramic heaters.

Finally, a cost effective Remote Monitoring Solution

New Capabilities of the MCT

MCT4
Software Version 1.3.3
New Features

Ramp Rate

Scheduled Profile Start

PC Configuration Utility

Setpoint 2 via Event Input

Hardy Caseweigher

Hardy's all New Caseweigher machine is designed for **SIMPLICITY** using off-the shelf components and a PLC control platform to afford users enough **FLEXIBILITY** to meet both current and future control needs.

**Open Source
Off-the-Shelf
Seamless Integration
CheckMaster Software**

HARDY
PROCESS SOLUTIONS
Measurement • Automation • Productivity

Stock, Make, Pack, & Ship Solutions
Hardy's solutions align with our customers supply chain making it EASY for them to understand where, why and how we fit as a solution partner.

Pyromation

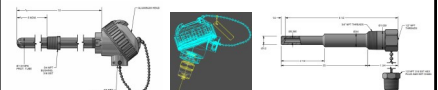

Pyromation continues to excel in every aspect of true customer service!

**Fast Part Number & Quotes
Online Quote Configurator**

**Accurate Engineering Documentation
Product Specific
Drawing Generator**

**Additional File/Document Support
3D Model/Image
Step File Generator**

**Ensure you receive your TC & RTD sensors
accurately the 1st time!**
