WHAT'S NEW?

Sense Anywhere

Masy BioServices

SenseAnywhere Remote Monitoring

Finn & Conway is proud to have partnered with **Masy Bioservices** to offer the SenseAnywhere line of temperature, humidity and CO_2 monitoring devices.

The cloud-based data loggers are incredibly easy to set up and accessing the data via your cloud account is effortless as is setting up alarms and user profiles!

Whether the application is in Pharma, ColdChain, Healthcare, Laboratory, storage, FoodManufacturing or Logistics, SenseAnywhere is an incredible solution!

Sense Anywhere

Finally, a cost effective Remote Monitoring Solution

New I/O Capabilities of the MCT

The new expansion I/O modules for use with the MCT4 & MCTB systems provide virtually limitless control capabilities!

I/O Expander
16 Digital Inputs
14 Digital Outputs

Model SIO
Mix of 8 T/C,
Linear mA,
or VDC Inputs

FUTUREDESIGN CONTROLS

Hardy Caseweigher

Hardy's all New Caseweigher machine is designed for **SIMPLICITY** using off-the shelf components and a PLC control platform to afford users enough **FLEXIBITY** to meet both current and future control needs.
